PRESS RELEASE

**COMMITTEE TO MONITOR THE FEED GAS SUBSIDY TO
FERTILIZER PLANTS**

Islamabad: May 13, 2010.

Federal Minister for Industries & Production Mir Hazar Khan Bijarani chaired a meeting here today regarding fertilizer price and 20% reduction in gas supply to the Fertilizers Units and its diversion for power generation. Senior officers of the stake holding ministries also attended this meeting.

Representative of ENGRO Fertilizer through a presentation briefed the participants about the urea fertilizer price and gave proof of benefits of feed gas subsidy being passed on to the farmers in the form of affordable fertilizer price. The meeting also discussed the increase in urea price due to the curtailment of gas supply to Fertilizer Sector. It was decided in the meeting that in future all the fertilizer manufacture will publish their price in the press on a weekly basis, display the price at dealer outlets and intimate the price to the District Government.
